QUALITY DRILLS AT NEW LOW PRICES

POWER DRIVER $\frac{5}{16}$ " DRILL

The advanced Power Driver $\frac{5}{16}$ " Drill is made on the new, registered 'Clamshell' principle. 'Clamshell' construction gives improved alignment and maximum motor efficiency. In addition, perfect balance, light weight, a full grip side handle and precision engineer's chuck make this a tough machine you will be proud to own. Will drive the whole range of Black & Decker attachments.

£6.10.0

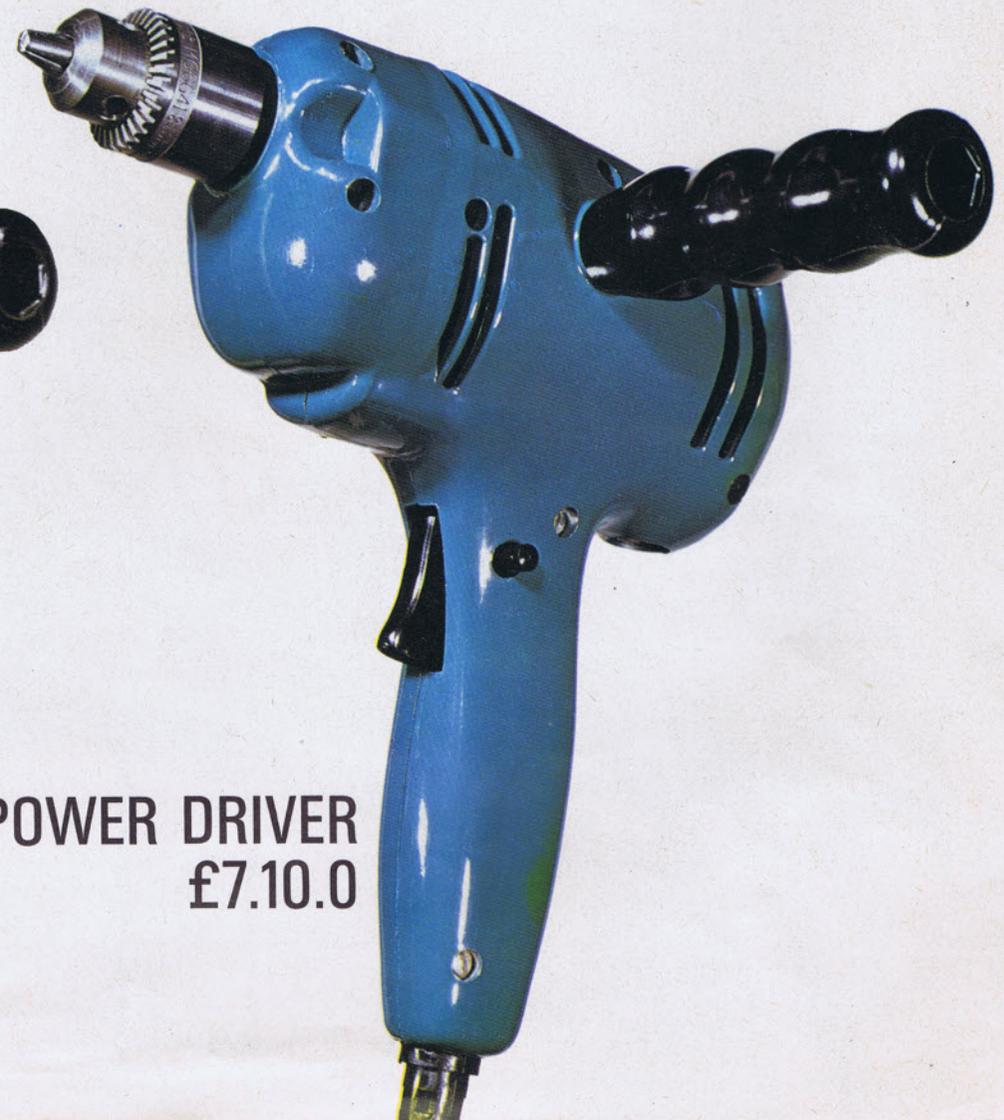

Power Driver Capacity	In Steel In Masonry In Wood	$\frac{5}{16}$ " $\frac{1}{8}$ " $\frac{5}{8}$ "	No-Load Speed: 2,600 r.p.m.	A.C. 100/115 200/230 235/250 volts Weight 3.75 lbs.
			T.V. Suppressed	

SUPER POWER DRIVER $\frac{5}{16}$ " DRILL

The Super Power Driver has all the sound construction qualities of the 'Clamshell' Power Driver plus 20% extra power. A craftsman's drill that combines powerful good looks with light weight and perfect balance. Will drive all the Black & Decker attachments for long periods with ease.

£7.10.0

Super Power Driver Capacity	In Steel In Masonry In Wood	$\frac{5}{16}$ " $\frac{1}{8}$ " $\frac{5}{8}$ "	No-Load Speed: 2,600 r.p.m.	A.C. 100/115 200/230 235/250 volts Weight 3.75 lbs.
			T.V. Suppressed	

**SUPER POWER DRIVER
£7.10.0**

**POWER DRIVER

2-SPEED DRILLS

D520

5/16" 2-SPEED DRILL

Fast or slow—a flick of the switch for the right speed every time. The low speed of 900 r.p.m. for drilling masonry, steel and other tough materials. The fast speed of 2,400 r.p.m. is ideal for sawing, sanding and many other jobs around the home. The D520 will drive all Black & Decker attachments even more efficiently. At the lowest price ever for a 2-Speed Drill.

£9. 19. 6

D520 Drilling Capacity	No-Load Speeds:	A.C.
In Steel 5/16"	Slow 900 r.p.m.	100/115
In Masonry 5/16"	Fast 2,400 r.p.m.	200/230
In Hardwood 5/16"	T.V. Suppressed	235/250 volts
Holesaws 1"		

D720

3/8" 2-SPEED DRILL

The additional power of this tool gives even greater capacity for drilling in steel and masonry. The slow speed makes this work more efficient and easily tackled. The fast speed of 2,400 r.p.m. gives maximum performance for driving the Black & Decker Saw Attachment and for sanding. A drill with power to spare on every job around the house. A single speed version, the 5/8" D700 is also available at £7.19.6

£11. 19. 6

D720 Drilling Capacity	No-Load Speeds:	A.C.
In Steel 3/8"	Slow 900 r.p.m.	100/115
In Masonry 3/8"	Fast 2,400 r.p.m.	200/230
In Hardwood 3/8"	T.V. Suppressed	235/250 volts
Holesaws 1 1/2"		

D820

3/8" 2-SPEED DRILL

For the man who wants the best in Power Tools for the home. The D820 drill has a really powerful motor with frictionless bearings and sealed-in lubrication. Attractive nylon coating on the die-cast casing gives extra safety. Two speeds give real efficiency for all work around the home whether it is drilling big holes in tough masonry or sawing large sheets of timber for construction work. The D820 will drive every Black & Decker attachment and accessory.

£14. 19. 6

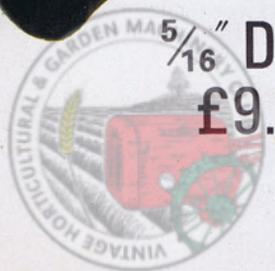

D820 Drilling Capacity	No-Load Speeds:	A.C.
In Steel 3/8"	Slow 900 r.p.m.	100/115
In Masonry 3/8"	Fast 2,400 r.p.m.	200/230
In Hardwood 3/8"	T.V. Suppressed	235/250 volts
Holesaws 1 1/2"		

5/16" D520
£9.19.6

3/8" D720
£11.19.6

3/8" D820
£14.19.6

NEW D900 1/2" DRILL

A new low priced craftsman's drill, with the power and stamina to do all those bigger drilling jobs around the home, in the garage or in the garden. Easily drills up to 1/2" in steel, 3/8" in masonry and 1" in wood. This powerful drill will drive holesaws up to 2 1/4" diameter. Full grip side handle for maximum ease of operation.

£11.19.6

D900 Drilling Capacity:	No-Load Speed	AC 100/115
In Steel 1/2"	500 r.p.m.	200/230
In Masonry 3/8"		235/250 volts.
In Wood 1"	T.V. Suppressed	
Holesaws 2 1/4"		

Black & Decker

GD25 1/2" DRILL

A professional power tool with big 1/2" capacity chuck and controlled running speed for maximum torque. The GD25 is extremely popular with carpenters, builders and plumbers for continuous production drilling in masonry, brick, metal or wood. This drill will drive holesaws up to 2 3/8" diameter, invaluable for central heating installation work.

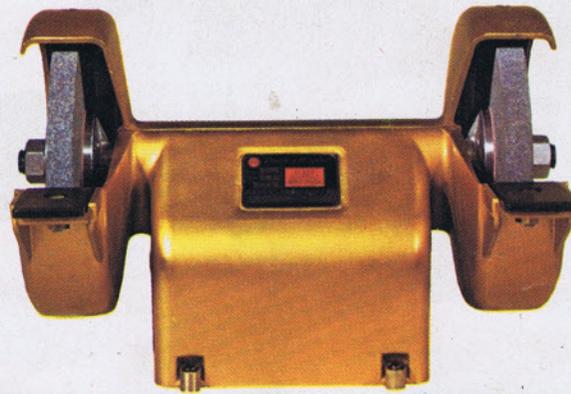

£14.19.6

GD25 Drilling Capacity:	No-Load Speed	AC/DC
In Steel 1/2"	625 r.p.m.	100/115
In Masonry 3/8"		200/230
In Wood 1"		235/250 volts
Holesaws 2 3/8"		

The low speeds of the D900 & GD25 make them unsuitable for use with attachments.

A RANGE OF POWER TOOLS FOR YOUR WORKSHOP

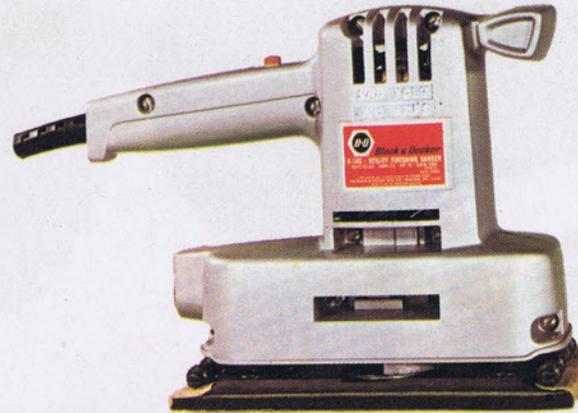

D370 5" BENCH GRINDER

The essential tool for every workshop at a new low price. Fine and medium grinding wheels powerfully driven to carry out all types of work. Fitted with adjustable toolrests to compensate for grinding wheel wear. Grind off rivets or difficult bolts, clean up edges on metalwork, keep tool and garden equipment in perfect condition. The D370 Bench Grinder is a real investment for every do-it-yourself enthusiast.

£9.19.6

No-Load Speed: 4,000 r.p.m.	Wheel Size: 5" either end. 1 Medium, 1 Fine.	AC/DC 100/115 200/250 volts. T.V. Suppressed
-----------------------------	----------------------------------------------	----------------------------------------------

D390 (U140) FINISHING SANDER

Take the back-ache out of sanding and finishing. The D390 gives you the power and skill to be sure of a professional finish every time; whether preparing wood, rubbing down paint or plaster for a satin smooth surface, ready for polish paint or varnish. With this labour-saving tool you can sand in corners, around bevels and in rebates. Easy to fit abrasive paper.

£9.19.6

No-Load Speed: 4,000 orbits per min.	Sanding Orbit 1 1/2"	Sanding Surface 3 3/8" x 7 1/4"
--------------------------------------	----------------------	---------------------------------

D350 MULTI-PURPOSE POWER SAW

Seven saws in one. The D350 has power behind the blade to accomplish intricate or straight cuts with ease and accuracy. Use it as a pad saw, fret saw, jigsaw, rip saw, cross cut or panel saw and with a metal cutting blade it will cut metal too!

£9.19.6

No-Load Speed: 3,000 Strokes/minute	Sawing Capacity: 1" Hardwood 1 1/2" Softwood	AC/DC 100/115 200/230 235/250 volts T.V. Suppressed
-------------------------------------	----------------------------------------------	-----------------------------------------------------

D775 HOME BUILDER TOOL CHEST

D400 1/4" DRILL

A realistically priced 1/4" drill. Makes light work of sanding down woodwork, de-rusting a drain pipe and the hundreds of other jobs around the home. Complete with button handle. **£4.19.6**

D400 Drilling Capacity:

In Steel 1/4"	No-Load Speed	A.C. 100/115
In Masonry 1/4"	2,600 r.p.m.	200/250 volts
In Wood 1/2"		T.V. Suppressed

D984 PORTABLE SAW ATTACHMENT £3.15.0

Zips through wood up to 1 1/4" thick. Accurate sawing is easy with adjustable depth and angle of cut. A guide ensures exact rip cutting. Complete with combination rip and cross-cut blade.

GD 80 BENCH STAND £5.5.0

Completely adjustable for height and radial swing this stand converts your drill into a highly accurate bench drill set.

ACCESSORIES GIVE EXTRA USE TO YOUR

D988 FINISHING SANDER ATTACH. £5.9.6

Easily attached to Black & Decker drills. Rubs down paint, woodwork, plaster to give a really professional finish.

GD75 DUST EXTRACTOR £3.0.0
Used with a Vacuum Cleaner to give dust-free sanding.

D980 HORIZONTAL STAND £1.5.0

Screw this stand to your work bench and it will hold any Black & Decker drill for the home firmly in position. Use it for high speed grinding, sanding, wire brushing and polishing.

D986 JIG SAW ATTACHMENT £5.10.0

For intricate cuts on plywood, hardboard and other materials. Supplied complete with medium wood cutting blade and non-ferrous metal cutting blade.

HOLESAWS

For use on D520, D720, D820, D900 and GD25 drills, a Black & Decker Holesaw enables you to cut large holes quickly and accurately. Ask your tool shop for details of the range of sizes.

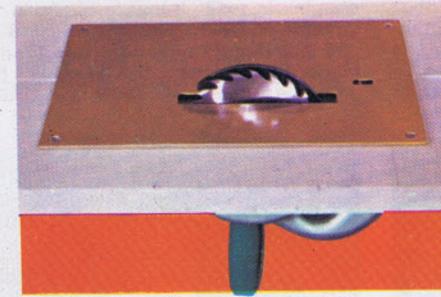

D970 CABLE REEL £2.17.0

Keeps your extension cable tidy while you are working. The reel pays out just as much cable as you need. Acts as a neat storage when you put your tools away. Will take up to 100 ft. of cable.

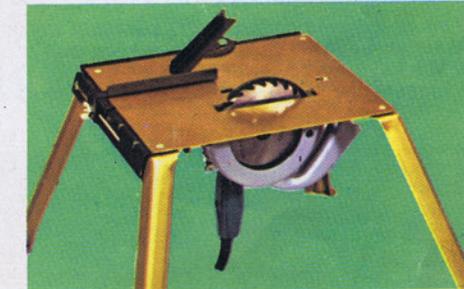

D998 DISC SANDING TABLE £2.15.0

This table clips on to the horizontal drill stand or lathe head stock to enable accurate sanding of flat surfaces, angles or curves. Complete with assorted sanding discs, mitre gauge and tube of disc cement.

D992 SAW TABLE £1.18.0

Fix this accessory to your work bench and you can easily convert your Portable Saw Attachment and Power Drill into a fixed saw bench. Adjustable for depth and angle cutting.

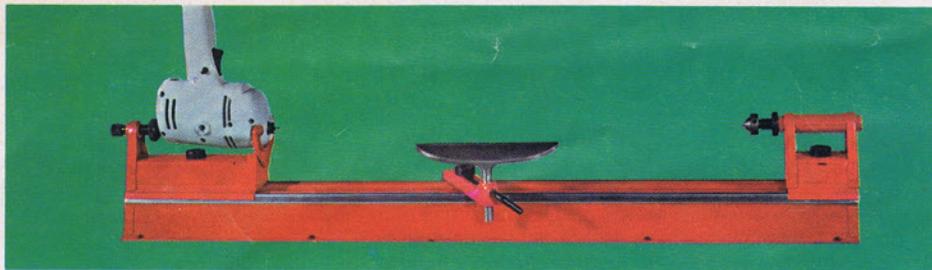

D990 PORTABLE SAW BENCH £3.19.6

Your power drill and saw attachment become a portable saw bench. Fully adjustable for accurate work with built in protractor for precision mitring.

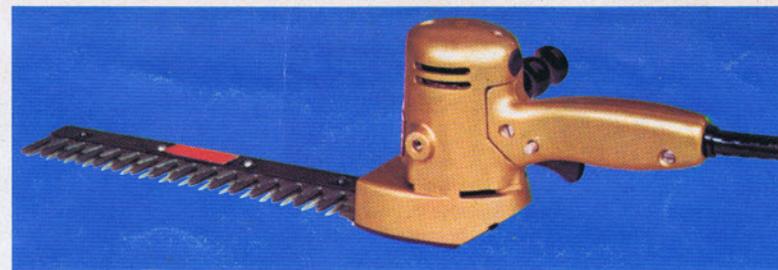

D972 TRANSFORMER £6.4.0

For use with Black & Decker power tools for the home, up to 310 watts.

D994 26" LATHE £6.15.0

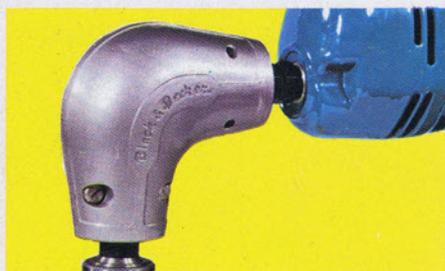

A valuable addition to the craftsman's workshop. Powered by any Black & Decker drill for the home the lathe will accept timber up to 26" in length. Supplied complete with sliding tool rest, slotted face plate, fully adjustable head and tail stocks and wood prong driving centre.

D450 POWER HEDGE TRIMMER £9.19.6

A sturdy, compact hedge trimmer that puts an end to tedious back-breaking work in the garden. Light in weight yet powerful enough to deal with every type of hedge and shrub, with exchangeable handle for left or right hand approach.

Black & Decker POWER DRILL

D976 RIGHT ANGLE SPEED CHANGER £3.12.6

Doubles or halves the speed of any drill and enables you to work in constricted areas. Can be used to carry out really efficient polishing at high speed.

U1220 3" WIRE CUP BRUSH 13s.6d.
U1302 5" MOULDED RUBBER PAD 8s.6d.
 with 1/2" chuck shank.
U1300 5" MOULDED RUBBER PAD 8s.6d.
 with threaded shank.

**POWER TOOLS
for your
GARDEN**

U1002 BUFFING & POLISHING KIT £1.7.6

An invaluable kit in the workshop. Contains 3" rag buff, 4" wire wheel brush, 3" grinding wheel, wheel arbor, and tube of buffing and polishing compound.

U1003 ABRASIVE KIT £1.15.0

Contains 2-1/2" x 1/2" abrasive bands, fine and coarse; 2-3/4" x 1/2" abrasive bands, fine and coarse; 2-1" x 1" abrasive bands, fine and coarse; 1 tapered, 1 fine straight and 1 coarse straight abrasive roll and arbors to fit.

D470 (U272) DE LUXE SHRUB & HEDGE TRIMMER £14.19.6

The remarkable D470 is light in weight, yet tireless in performance. This superb, versatile Trimmer will give your shrubs and hedges that much sought after professional finish in a fraction of the time of hand trimming. The unique bale handle ensures a positive grip at all times and the convenient slide switch makes operation easy. The new extra long 16" blade is double edged for maximum performance from any angle of approach.

D982 HEDGE TRIMMER ATTACHMENT £5.19.6

Easily mounted on your Black & Decker drill in a matter of seconds. With the 13 1/2" blade hedge cutting time is reduced, and hedges neatly trimmed with very little effort.

D460 (U172) SHRUB AND HEDGE TRIMMER £12.19.6

HD1260 HEAVY DUTY HEDGE TRIMMER £19.19.6

HD1265 CORDLESS HEDGE TRIMMER £57.10.0
